The tournament is open to Old Boys, current and past parents, grandparents, staff, friends and colleagues. Everyone is welcome.

The format will involve two separate competitions:

Option 1: Stableford

Individual Stableford competition, in conjunction with prizes for the longest drive, closest to the pin and team aggregate Stableford.

Option 2: Ambrose

Team Ambrose competition involves four players competing together as a team. Each player will tee off on each hole. The hole is played by selecting the best ball for each shot, all players play from the same position until the hole is completed. Rules will be supplied on the day.

Note: all four players in any group need to be entered under the same option. The Ambrose option is for teams of four playing together. You can enter individually for either option and you will be put into the draw. You do not need to be an Old Boy to play and we welcome mixed teams.

- Players with unofficial handicaps can participate in the individual competition scoring on the Calloway system or as part of a team in the Ambrose competition
- Only Old Boy members of a golf club with an official handicap are eligible to enter the OAY Johnston Salver tournament (i.e. Stableford competition)
- Complimentary finger food provided in the Clubhouse at the conclusion of the golf. The presentation of prizes will be held at approximately 6.30pm
