CHRIST'S COLLEGE  
CANTERBURY

Our mission: *Each boy at his best*

Come and find out what sets Christ's College apart ... Join us for the Christ's College Experience.

Founded in 1850, Christ's College is an independent Anglican secondary school for both day boys and boarders. Located in the heart of the city of Christchurch, the College campus is a mix of heritage buildings and modern learning spaces equipped for the best in teaching and learning.

College has a culture of excellence in all aspects of education, including academic, sports, cultural and many different co-curricular opportunities. Our talented and passionate teachers support and inspire our students to always aim high and achieve their best.

A key part of the College pastoral care programme is our unique House system. As a participant on our

school integrated programme, you will experience life as a boarder, and live and learn alongside your peers. You will be welcomed into the College community and, for the duration of your stay, live in one of our three boarding Houses and take part in a wide range of College activities.
