

High School Preparation Programme

CHRIST'S COLLEGE
CANTERBURY

Our mission: *Each boy at his best*

Come and find out what sets Christ's College apart ... Join us for the Christ's College Experience.

Founded in 1850, Christ's College is an independent Anglican secondary school for both day boys and boarders. Located in the heart of the city of Christchurch, the College campus is a mix of heritage buildings and modern learning spaces equipped for the best in teaching and learning.

College has a culture of excellence in all aspects of education, including academic, sports, cultural and many different co-curricular opportunities. Our talented and passionate teachers support and inspire our students to always aim high and achieve their best.

A key part of the College pastoral care programme is our unique House system. As a participant on our

school integrated programme, you will experience life as a boarder, and live and learn alongside your peers. You will be welcomed into the College community and, for the duration of your stay, live in one of our three boarding Houses and take part in a wide range of College activities.

Let our House be your home away from home, and this College experience enhance your life.

Six week programme (October – November) includes:

Specialised English language classes

Tailored to meet the level and requirements of the students. Content tailored to prepare students to join regular New Zealand high school classes.

New Zealand culture classes

Maori culture and language content to prepare students for our bilingual society.

School system / school life classes

NCEA structure and credit accumulation system. Pathway options.

New Zealand daily life classes

Students will be introduced to daily life in New Zealand and learn how to cope outside the classroom.

Exploration of the local area

Students will have opportunities to participate in activities in the wider Christchurch region.

Certificate of Completion

Students will receive a certificate on completion of their study period at Christ's College.

Purpose

This short-term school integrated programme offers international students the opportunity to experience life as a student and boarder at one of the leading independent schools in New Zealand.

Such programmes enrich cross-cultural understanding and are of enormous benefit to all students, visitors and locals alike.

High School Preparation Programme

Six weeks (October – November)

Students will participate in a customised academic high school preparation programme. It will include weekend activities highlighting the local area. Minimum number of students 15, maximum number of students 30.

Customised Programme

The content of this programme may be customised according to the organisations requirements.
