

The Christ's College Experience

CHRIST'S COLLEGE
CANTERBURY

Our mission: *Each boy at his best*

Come and find out what sets Christ's College apart ... Join us for the Christ's College Experience.

Founded in 1850, Christ's College is an independent Anglican secondary school for both day boys and boarders. Located in the heart of the city of Christchurch, the College campus is a mix of heritage buildings and modern learning spaces equipped for the best in teaching and learning.

College has a culture of excellence in all aspects of education, including academic, sports, cultural and many different co-curricular opportunities. Our talented and passionate teachers support and inspire our students to always aim high and achieve their best.

A key part of the College pastoral care programme is our unique House system. As a participant on our

school integrated programme, you will experience life as a boarder, and live and learn alongside your peers. You will be welcomed into the College community and, for the duration of your stay, live in one of our three boarding Houses and take part in a wide range of College activities.

Let our House be your home away from home, and this College experience enhance your life.

One week programme (August – September) includes:

ESOL classes

Customised classes to meet the level and requirements of the group. Content relevant to daily life in New Zealand. Qualified, experienced teachers.

Integration into regular classes

Students will be partnered up with a College student of the same age. They will mirror their partner's timetable and take part in regular College classes, allowing them to experience the differences in teaching and learning between New Zealand and their home country.

Activities and sightseeing

Students will participate in a range of activities that highlight special features of Christchurch and the surrounding area.

Certificate of Completion

Students will receive a certificate on completion of their study period at Christ's College.

Purpose

This short-term school integrated programme offers international students the opportunity to experience life as a student and boarder at one of the leading independent schools in New Zealand.

Such programmes enrich cross-cultural understanding and are of enormous benefit to all students, visitors and locals alike.

The Christ's College Experience

One week (August - September)

Students will be integrated into regular classes and will participate in a specialized ESOL programme. Weekend activities are optional. Students must be between 12–15 years of age (Year 9 and Year 10). Minimum number of students 10, maximum number of students 20.

Customised Programme

The content of this programme may be customised according to the organisations requirements.
